10	8/13 Rest	8/14 1:15 Easy	8/15 Rest	8/16 1:15 Easy	8/17 Rest	8/18 1:30 Endurance	8/19 1:15 Easy	5:15	Ride at a pace that you could talk to a partner, but you don't necessarily want to. Sustain this pace throughout the ride - not easy, but not too hard
9	8/20 Rest	8/21 1:15 Easy	8/22 Rest	8/23 1:15 Easy	8/24 Rest	8/25 1:45 Endurance	8/26 1:30 Easy	5:45	Add Intervals: On a moderate ride - pick a city block, distance between power lines, or up a short hill. Go HARD for 45-60 seconds. Allow 3-5 minutes easy spin between these efforts to allow the heart rate to drop back down. Do 4-6 of these "attacks" throughout the ride.
8	8/27 Rest	8/28 1:00 Easy	8/29 Rest	8/30 1:00 Easy	8/31 Rest	9/1 2:00 Endurance	9/2 1:00 Easy	5:00	Recovery Week
7	9/3 Rest	9/4 1:00 Easy	9/5 1:00 Easy	9/6 1:15 Interval	9/7 Rest	9/8 2:00 Endurance	9/9 1:30 Endurance	6:45	Amp up intervals
6	9/10 Rest	9/11 1:30 Short Efforts	9/12 1:00 Easy	9/13 1:30 Hill	9/14 Rest	9/15 2:00 Endurance	9/16 1:30 Endurance	7:30	Add Short Efforts: Warm up well. On a flat route, do 3 sets of 60 seconds HARD and FAST followed by 60 seconds of easy spinning. Ride 5 minutes very easy between each of the sets. Steady pace for the rest of the ride
5	9/17 Rest	9/18 1:30 Short Efforts	9/19 1:00 Easy	9/20 1:30 Interval	9/21 Rest	9/22 2:30 Endurance	9/23 2:00 Endurance	8:30	Short Effort AND intervals
